

### Take the First Step!

Create a profile; add a stellar image, relevant contact information and other business details

### Details Matter!

Add details about your ideal customer to encourage referrals and leads.

### Spell it Out

Include the products and services you offer on your profile.

### Find Those Connections

Connect with FB friends, email contacts or other local businesses to build your network.

### Share The Love

Reviews go a long way. Recommend others and ask for recommendations in return!

### Embrace Your Location

Offer local specials or discounts that will display on Alignable's town calendar.

### Be a team player!

Participate in your local groups and forums regularly.
